Dedication

Mr. J. L. DeCook

Our 1961 yearbook, the "Indian," is dedicated to the Superintendent of Schools in McMillan Township, Mr. J. L. DeCook. Mr. DeCook was born on March 1, 1907, in Marquette. After graduating from Northern Michigan College, he accepted his first job, as a math teacher and coach in Newberry, in the fall of 1930. Teaching during school hours and coaching afterwards left little free time, but he managed to pursue his favorite hobby, fishing. In his role as coach, Mr. DeCook led Newberry High School to three Upper Peninsula Championships. Following seventeen years of teaching and fifteen of coaching, he entered the Navy. On his return he was made principal of our school. He served as principal for ten years before becoming Superintendent of Schools in 1957. Today, he is the Upper Peninsula representative to the Michigan Educational Legislative Council.

The most memorable experiences in his life have been the U. P. Championships won by his teams, and the years he spent in the Navy during the war.

Mr. DeCook's hobbies are woodworking, making furniture, and fishing. Lately, most of his spare time is spent remodeling his cottage on Round Lake.

When asked about his philosophy of education, Mr. DeCook stated that high schools do not require enough work from persons who are in the twelfth grade. Too many seniors who are capable of doing better work are allowed to graduate with just the required courses.

During the next few years Mr. DeCook hopes to establish in our high school advanced courses with college credits. He also believes that within ten years most high schools will continue through grades thirteen and fourteen. Mr. DeCook rates Newberry with the best schools and says that some schools may have better equipment, but none have better courses.

B Team Basketball

The 1960-61 Junior Varsity basketball season could be called a long one, as the "Paps" were unable to gain a victory on their fifteen games slate.

The Junior Varsity suffered from poor shooting and mental lapses during the early part of the campaign, but as the season progressed their over all play had improved greatly, especially defensively.

The climax of the season was the last game of the year in which Engadine had to score in the final few seconds to edge the "Paps" 36-34.

Joe Villemure led the scoring for the Junior Varsity during the season.

Because of the large number of Freshmen on this year's team, the outlook for next winter seems bright.

Seniors and Juniors served as cheerleaders for the varsity team, while sophomores were very enthusiastic during the B Team season. These two groups of cheerleaders were chosen on the basis of personality, gracefulness and ability to perform.

They played an important part in the pep meetings, and basketball and football games came alive at the sight of their spirit, and the halls resounded with their cheers the day after each victory.

Juniors

The Junior Class started the year with a big bang by electing Barbara Perry as their homecoming queen candidate and by winning 1st prize with their huge Shaggy Dog float entitled "Lick 'em Good." The assembly for the Manistique football game was a great success although it was "a little short in spots." The long awaited class rings finally arrived the day of Christmas Vacation—three weeks late. The Junior play was a smash hit. They highlighted the end of the year with the Junior Prom.

Homecoming
Queen Candidate

124 strong--the illustrious Class of "63" entered N.H.S. as mighty Sophomores. With Mr. Thompson as adviser, they built their homecoming float and nominated their Homecoming queen candidate. They also supplied five cheerleaders for the "B" squad and many more "B" and Varsity, Football and Basketball players. All in all, the superlative Class of "63" has had another successful and fun filled year.

The inimitable class of '64 began the 1960-61 school year with 180 students. Eleven boys from the class participated in football, and ten in basketball. Three freshmen cheerleaders were elected to the B-Team cheerleading squad. Our homecoming float "Stairway to Victory" drew one of the top honors in the annual football parade.

We have great talent in the freshmen class which was proven by those who participated in the "Indian Review".

With the help and advice of our class advisor, Mr. Bianchi, we completed the year with great success and hope to carry out our next three years with equal ability.
